HOW TO MEASURE YOUR CHEST

Wrap the tape measure under the armpits, around the fullest part of the chest making sure that the tape is level across the body. The tape measure should be snug. Not so tight that it constricts breathing, but not so loose that the tape measure slides down.

If you measure as 32" (or 81cm) then your blazer size will be a size 32". Our blazers are true to size, so no need to order a size up to accommodate clothing underneath.
