HOW TO MEASURE YOUR CHEST

Wrap the tape measure under the armpits, around the fullest part of the chest making sure that the tape is level across the body. The tape measure should be snug. Not so tight that it constricts breathing, but not so loose that the tape measure slides down.

HOW TO MEASURE YOUR COLLAR

Gently wrap the tape measure around the base of the neck. Put two fingers between the tape measure and the skin while you do this; this will ensure a more comfortable fit.
